Handles with internal thread

Article number	D mm	H mm	Surface	Weight g	Temperature °C
NT020KSGr06s-00	20	24	Black plastic	7	110
NT020StGr06bs00	20	30	Steel burnished	23	200

These handles with an internal thread are the ideal addition to our magnet systems. This makes handling larger magnets child's play.
